EDUCATION

Westminster College   2011-2014
BS – Business Management   Salt Lake City, UT

University of Utah   2020-2021
Certificate – Full Stack Web Development   Remote

EXPERIENCE

Product Manager / Developer   2020-Present
PunkAsh Enterprises   N Salt Lake, UT

Founded company to begin developing personal projects and gain experience in product management and development process.
Key Accomplishments:
- Developing a website devoted to giving users a political dashboard to track the actions of their elected officials.
- Created plan using Atlassian Jira to layout user stories for feature development, and planned roadmap for releases.

Director of Production   2012-2019
Beckett & Robb   Salt Lake City, UT

Joined as the first employee and helped grow the company to almost $2mil in revenue.
Key Accomplishments:
- Managed production, store operations, and inventory of four shops, company-wide.
- Oversaw two website updates
- Managed daily content updates, mostly done through WYSIWIG templates, with some HTML/CSS.
